We had our wedding in Mount Wolsley the 11 of September 2021, we had Siobhan as our wedding organizer, she was excellent and very attentive to all details. In the function room, we had Danny, a brilliant, calm great lad with great capability to always help.

The staff in Mount Wolsley were just out of this world, I can't praise it enough.

I just like to say thank you to you all, you all made our day so enjoyable. I would highly recommend this hotel for any function, especially weddings. Thank you all, we will always support your future events. God bless, and best wishes.
